Bill was also fortunate to have four great grandchildren, Isaac and Aspen Andrus of Susquehanna County along with Brett and William Andrus of Lock Haven.

Bill was proud to have served his country for 4 years while in the Air Force as an electrical engineer. He and Lois were united in marriage December 27, 1959 and eventually relocated to Lock Haven for his employment at Piper Aircraft in 1965. He was proud to call Great Island Presbyterian Church his second home since the early 1980's where he and Lois would regularly attend. Bill loved aviation and flying and remained with Piper until its closing in the early 1980's. He then moved on to various sales representative positions until finally slowing down in his later years to spend more time with his extended family.

He has greatly enjoyed being a second "Dad" to Sean and Matt while also cheering at soccer games for Becca and Alec. He was thrilled to be blessed with his three great grandchildren and was honored to have witnessed and spent the past year with the newest addition and the 4th great grandchild, William.
